## 1. Introduction

Hi, I'm Vishal Kumar Thakur, an aspiring Cybersecurity Specialist passionate about securing digital systems and networks. Currently pursuing BCA at LPU, I focus on learning ethical hacking, network security, and threat analysis. I aim to build secure digital environments that protect users from evolving cyber threats.

📍 Bihar, India | 🎓 BCA Student at LPU | 🌐 Interested in Cybersecurity

## 2. Skills & Technologies

- Programming Languages: C, C++
- Web Basics: HTML, CSS
- Database Management: Microsoft SQL Server
- Core Concepts: Object-Oriented Programming, Networking Fundamentals
- Security Focus: Cybersecurity Basics, Ethical Hacking (Learning Phase)
- Soft Skills: Problem Solving, Teamwork, Communication

## 3. Projects

### • Console-based Chatbot

A simple C++ chatbot that simulates human-like conversation, helping me understand basic natural language processing and control structures.

— *Built using C++*

### • Student Information System

A SQL-based application to manage student records (add, update, delete, search). Focused on backend development and database connectivity.

— *Tech Stack: Microsoft SQL Server*

### • Flood Management System (Website)

A web-based platform providing flood alerts, safety tips, and resources to support disaster preparedness.

— *Built using HTML, CSS*
